

Supportive Housing Summit

Sponsor & Exhibitor Opportunities

As you begin allocating your annual sponsorship budgets, we wanted to make you aware of the many opportunities available at the Florida Supportive Housing Coalition's **2017 Supportive Housing Summit**. Each sponsorship offers a variety of acknowledgments, advertising, and networking.

This new event provides a new opportunity for you and affordable supportive housing professionals across the state to share best practices to advance the quality of our services. Housing development staff, service providers, state and national leaders, and housing and consumer advocates are expected to attend.

Although the **2017 Supportive Housing Summit** is a new approach for the Florida Supportive Housing Coalition, we have over 15 years experience conducting conferences, institutes, and summits. The Summit is designed with a new platform for learning and networking focused on bringing together stakeholders from multiple systems of care. Built into the Summit is more time for group interaction with panels of experts, and encouraging personal interactions among participants.

Please join with us as we build this event dedicated to advancing best practices across networks to enhance and increase affordable supportive housing for those most in need - those with the lowest incomes with special needs such as elders, people with disabilities, veterans, people who are experiencing homelessness or at-risk of homelessness, and youth aging out of foster care.

The Florida Supportive Housing Coalition promises you an experience you will find rewarding and worth your sponsorship.
